Graf

Knurled Textured Range

The aluminum handle Graf has evolved with a modern, industrial aesthetic. Its texture with a mesh-like shape ensures a perfect grip when you pull on it. The range fits perfectly well with kitchen or bathroom cabinetry, in changing rooms and in bedrooms. It comes in five different sizes and finishes available include Dull Brushed Nickel, Brushed Dark Brass and Brushed Black. The largest size is 1200mm which allows it to be fitted to cupboards and doors with large dimensions.

Ona

Contemporary Lip Pull

The Ona is a comfortable, minimalist aluminium profile handle, whose shape ensures a perfect grip, making it easy to use. The profile is an embedded piece that is easy to install, as it is screwed on from the rear, which means that it adapts to different furniture widths. It is ideal on pillars and kitchen islands. Available in a brushed black, brushed grey, brushed nickel and in colours currently trending such as metallic grey and metallic golden brown.
