Ceramics from Villeroy & Boch combine the experience of traditional craftsmanship with maximum industrial precision. The result: products that enrich life with good design, lasting quality and with an assured sense of style. Kitchen sinks from Villeroy & Boch combine practicality and design with the tried-and-tested qualities of ceramics, which are offered by almost no other material.

## SILUET Ceramic Plus

The **Siluet**'s newly developed high strength TitanCeram allows for the slenderest of sink profiles with precise edges and contours whilst retaining all of Villeroy & Boch's high quality ceramic credentials. The flowing, sensual design means the Siluet is particularly suited for modern and urban settings.

## PROVENCE

The **Provence** sinks are the original lay-on design that graced the kitchens of old. They are making a come back as they are simply the most practical form of sink. They totally maximise the area for washing and provide a total wet-area for splashing about! They will suit traditional kitchens best or make a brilliant choice for the utility sink.
